Věc: Jana Zahranicni's project

Dear Alexandra,

I confirm that I voluntarily served as an external project supervisor for Ms. Jana Zahranicni, an exchange student with XXX University. I regularly checked her work, met with her, exchanged emails, and advised her about her project. I have also discussed with her the final report and I am happy with it.

I am copying this email to Professor Jan Novak, who is a project supervisor of Ms. Jana Zahranicni at the Czech Technical University.

Best Regards,
Dr. John Abroad
