Please provide as much information on the placement as possible – too much information is better than not enough!

"I can honestly summarize my internship like "the best period in my life." It was very enriching in the professional way and also during my free time. Working in the DA&MBG office fulfilled all my expectations of great internship. The quality of the working space and conditions for the realization of my ideas was really on high level. Incredible position of the office in front of Kizkulesi and great colleagues are the assumptions of the unforgettable period. I will never forget this experience and hopefully I will come back again. Thanks for the great time DA&MBG."

- Jan, Slovakia

"I am very thankful for all the hospitality and for everything that has been thought to me here, where I truly believe I had a very important experience for both my life and my future career."

- Nacho, Spain

"My internship at DA&MBG Architects was a great place to have my first experience of architectural work. It allowed me to acquire a range of skills by exploring in practical terms, all the designing stages by being involved in architectural projects. Thanks to the people I worked with and amazing team, which create friendliness ambience at work, my internship was enjoyable and unforgettable experience."

- Monika, Poland
